DOCKET NO. 1999-252-C - ORDER NO. 2001-700

IN RE:	Application of Network Access Solutions)	ORDER CANCELLING
	Corporation for a Certificate of Public)	CERTIFICATE
	Convenience and Necessity to Provide Local)	
	Exchange and Interexchange)	
	Telecommunications Services within the State)	
	of South Carolina)	

This matter comes before the Public Service Commission of South Carolina ("Commission") on the request of Network Access Solutions Corporation ("NAS" or the "Company") to cancel its Certificate of Public Convenience and Necessity to provide both local exchange and long distance resold and facilities-based telecommunications services within the State of South Carolina. NAS's authority to provide telecommunications services in South Carolina was granted by Order 1999-680, dated September 28, 1999.

By letter dated July 10, 2001, Vice President of Regulatory Affairs for NAS advised the Commission that the Company wished to cancel its Certificate of Public Convenience and Necessity to provide local exchange, exchange access and interexchange telecommunications services in South Carolina. As reasoning for its request, NAS filed a subsequent letter on July 25, 2001 which provided that the Company had never provided local or long distance telecommunications services in the State of South Carolina since its certification; therefore, there are no customers to notify of the Company's request for cancellation.

Upon consideration of this matter, the Commission finds and concludes that NAS's request to cancel its Certificate should be granted.

IT IS THEREFORE ORDERED THAT:

1. The Certificate of Public Convenience and Necessity to provide local and interexchange telecommunications services within South Carolina authorized by Order No. 1999-680, dated September 28, 1999, issued to Network Access Solutions Corporation is hereby cancelled.

2. This Order shall remain in full force and effect until further Order of the Commission.
